MISSION, VISION, & GUIDING PRINCIPLES

Mission

JTF-Guantanamo conducts safe and humane care and custody of detained enemy combatants. We conduct interrogation operations to collect strategic intelligence in support of the Global War on Terror. We support law enforcement and war crimes investigations. We are committed to the safety and security of American service members and civilians working inside the wire. We conduct our operations legally and transparently.

Vision

Our Nation is at war, and JTF-Guantanamo serves as an integral component of OPERATION Enduring Freedom. We are the model organization for safe and humane enemy combatant detention operations, and for the collection and dissemination of strategic intelligence supporting the Global War on Terror. We operate under the watchful gaze of the Nation and the world. We are a strategic asset operated by a highly trained and patriotic team of military and civilian professionals, dedicated to supporting our Nation's interests in the Global War on Terror.

Guiding Principles

LIVE the Core Values of our Services at all times.

ALIGN with USSOUTHCOM, taking our lead from our Combatant Commander.

TREAT the detained enemy combatants in our charge with professionalism and dignity. There is no place in Guantanamo for inhumane, abusive, or harassing behavior.

LEVERAGE the capabilities of each Service to ensure we are staffed, trained and equipped for mission success.

BUILD and maintain synergistic relationships with both government and non-government agencies and organizations to strengthen cooperation, teamwork, and unity. Recognizing that we will sometimes disagree, we will strive to never be disagreeable.

CONDUCT transparent detention and interrogation operations in accordance with established US law and DoD guidelines, directives, and procedures.

CHALLENGE our greatest asset – the Total Force of Soldiers, Sailors, Airmen, Marines, Coast Guardsmen and civilians – and provide them with the opportunities and resources to achieve their personal and professional goals.

PRACTICE good stewardship of resources entrusted to us.

IMPROVE continuously our organizational coherence, efficiency, and alignment. Be receptive to new approaches from outside experts in the field of detention operations and management.

Lodging varies depending on the time of year and rotation of units...below is a rough guide to give you an idea of what lodging may be like during your time with the JTF.

QUARTERS (E-1 – E-7)

The quarters for the Enlisted, NCO, and Petty Officer Ranks vary depending on the Command and availability at the time of arrival. Troopers will have a twin bed. Linen is issued to include: 1 pillow case, 1 pillow, 1 fitted sheet, 1 bed sheet, and blanket but you may bring your own sheets/towels/pillows if desired. You may also purchase any of these items at the NEX.

Camp America: This consists of a single room that can be occupied by up to six personnel. Depending on the housing density each trooper will have a bed and either one or two wall lockers. Each room has half bath (toilet and sink). The camp has four common shower rooms. Laundry facility is on premises. Your room will have TV, microwave, refrigerator and phone.

Tierra Kay, TK: TK is a townhouse complex. The housing formula is simple – the number of bedrooms x 2 equals the number of occupants. Each townhouse has a common living room, kitchen, laundry, and at least one and a half baths. The townhouse will have TV, microwave, refrigerator and phone.

Bay Hill (E7-E9 only): This area consists of modular buildings. Each building has two rooms to include living room and bedroom (10' x 11') with bath. Your room will have TV, microwave, small refrigerator, wardrobe, amour, stove and phone. Laundry facilities in unit.

Linen may be issued to include: 1 pillow case, 1 pillow, 1 fitted sheet, 1 bed sheet, and blanket. You may also purchase any of these items at the NEX. Number of bathrooms vary per house, but plan on sharing. Each house has a phone, refrigerator, TV, washer, dryer, microwave, oven, and dish washer.

MILITARY PAY & THE DEFENSE TRAVEL SYSTEM

Hardship Duty Pay

Troopers assigned to JTF-GTMO receive extra pay for Hardship Duty. Rates vary by location. The current rate for Guantanamo Bay, Cuba is \$150 per month for JTF and \$100 for NAVSTA. For Active Duty personnel, this pay shows as “SAVE PAY” on the Leave and Earnings Statement. For Reserve/National Guard, it reads as “OTHER CREDIT”. Members start accruing this pay on the first day of arrival at GTMO or mobilization point, and the first monthly payment is made during the second month. Your home station is responsible for initiating this pay.

Daily Incidental Expense Payment

Service members who are provided meal cards and billeting at no costs earn \$3.50/day for incidental expenses. Those who officially PCS to GTMO do not receive meal cards.

Family Separation Allowance (FSA)

FSA is paid to military members deployed away from their permanent duty station for more than 30 consecutive days (and the members' dependents are not residing at GTMO.) The following members can claim FSA:

- Members with dependents
- Members married to another military member (but only one of the two can be paid)
- Members that are eligible for Basic Allowance for Housing for their child/children

The amount is \$8.33/day (\$250/month) and begins the day after departure from home station and ends the day prior to arrival at home station.

Other Military Pay Guidance

Pre-deployment military pay briefings and processing vary among Services and units. The above pay entitlements, as well as the TDY costs to JTF-GTMO, can be paid while the member is deployed here, or the member may choose to file for and be paid after the deployment upon return to their home station. Check with your home station Military Pay/Finance Office if assistance is needed. For members of the 525 Military Police Battalion, contact your local finance personnel if assistance is needed.

Defense Travel System (DTS)

JTF-GTMO personnel use DTS to prepare temporary duty travel orders and file related travel reimbursement vouchers. Ask your unit leadership for DTS focal points if you require to travel for temporary duty.

Hiking and Biking Trails at GTMO

GTMO is home to 101 species of birds, 26 species of terrestrial reptiles and amphibians and 12 native mammal species. Many of the plant communities that support these species are globally important due to their limited ranges and narrow distributions. Please enjoy designated trails and be respectful of the unique environment found in GTMO. Mountain bikers are asked to observe the International Mountain Biking Association Rules off the trail. Recreational trails are prone to erosion and washout due to the affects of costal storms and associated flooding. The structural integrity of trails can change from day to day. Please exercise caution when using designated trails and do not traverse areas that are severely rutted or that appear unstable.

Rules of the Trail:

- 1 Ride on open trails only
- 2 Leave no trace
- 3 Control your bicycle
- 4 Always yield trail
- 5 Don't scare animals
- 6 Plan ahead

For a trail map, please contact MWR at ext 5225 or pick one up at the base library.

ROTATOR FLIGHT INFO

J4 Strategic Mobility Office (SMO), Bldg 906
Customer service hours are M-F 0830-1130 & 1300-1700
Rotator Travel - DSN 660-3011

The J4 Strategic Mobility Office is the central point for official and unofficial travel for JTF personnel currently stationed at GTMO. For those that are planning on taking leave and traveling off the island please ensure that the following steps have been accomplished for smooth travels to and from Guantanamo Bay. First, complete your leave paperwork. If you plan on traveling on the Rotator please stop by the J-4 Strategic Mobility Office located in Bldg 906 (two buildings down from the post office). Our travel manager will need a copy of your completed leave paperwork to book you a seat. For military personnel the price for a one way ticket to Jacksonville is \$197 and to Norfolk is \$283. Return flights will cost the same.

Another means of traveling to the states on leave is Space Available (Space-A). This benefit allows you to travel at a minimal cost, but only if there are seats that have not been reserved on the flight. To sign up for Space Available travel contact the Air Mobility Command (AMC) Terminal. Unfortunately AMC regulations only allow the service member to sign up for the Space Available roster on your leave check out date. Lastly, keep in mind that it is also against AMC regulations (AMCI 24-101) to reserve a seat on the rotator and cancel your reservation within the 24 hour period prior to the flight and then sign up for space available seating.

Below is additional information for the Rotator.

AMC Rotator

- Arrives at GTMO at 1305L
- 150 PAX when the flight is an A-321
- 150 PAX when the flight is a 737; Fares do not change due to airframe

TRANSPORTATION

Transportation Challenges

Transportation options are limited at Guantanamo Bay. Very few individuals have rental cars in the JTF. Shuttle buses are available seven days a week from 5 am to 1 am daily. "GTMO specials" or used cars are advertised for sale in the NAVSTA Gazette or you can find cars for sale in the NEX used car lot. A Military Exchange Car Sales office is located in the NEX atrium. Not all JTF personnel (depends on length of deployment) are eligible to purchase vehicles on GTMO through NEX Car Sales. Personnel with 180 day or longer deployments are eligible for NEX new car purchases to be delivered in-conus following deployment. See NEX Car Sales for more info.

The Naval Station is separated by Guantanamo Bay. A ferry and utility boat provide transportation to and from the Leeward and Windward sides of the base. Ferry schedules are posted in JTF paper "The Wire" and at the ferry landings on both sides of the base and appear on the "roller" cable channel 4.
