

Welcome to Guantanamo Bay! Here are some quick tips and things to remember!

- No photos of:
 - Radar equipment (antennae, satellites, etc.)
 - Windmills on the top of John Paul Jones hill
 - Desalination plant near Ferry Landing
 - Power Plant
 - Fuel or water systems
 - Ammunition processing or storage facilities (anything labeled Magazine)
 - Wide angle views of the Cuban fence line—includes from the air on incoming flights
 - All Joint Task Force gates
 - Office of Military Commissions facilities
 - Any military convoys
 - Any ships in the harbor (This needs to be coordinated through NAVSTA PAO)
 - Panoramic views with access roads, facility lay out, security borders, or locations of security check points
 - includes from the air on incoming flights

**When in doubt, call the
Public Affairs Office at x4658**
