The Navy College Program (NCP) provides opportunities to Sailors to earn college degrees by providing academic credit for Navy training, work experience, and off-duty education. The NCP mission is to enable Sailors to obtain a college degree while on active duty. In support of the four R's- Recruiting, Readiness, Retention, and Respect, the NCP signals Navy's commitment to education by improving enlistment appeal, demonstrating Navy service and achieving a college degree are compatible, helping Sailors apply themselves to new situations and challenges and better preparing them for advancement, building up Sailors' self-image, and producing higher quality Sailors.

Combining the various components listed above, the Navy College Program serves the needs of our mobile Sailors. We provide uncomplicated access to information along the path to a degree including transferability of college credit and access to education regardless of the Sailors' location or duty station. Participation is voluntary. Sailors participate at their own pace when they are ready. The Navy College Program integrates all components of Voluntary Education. While the NCP is primarily geared toward enlisted Sailors, some NCP components are also available to officers.

In addition, daily upkeep/cleanliness of personal living spaces and shared common/living areas is the responsibility of the troopers assigned.

Troopers can purchase cleaning supplies from the NEX. Scheduled and unscheduled housing/room inspections are conducted to ensure troopers health, welfare, and safety.

Rotator Flight Information

J4 Passenger Travel Office, Bldg #906

Customer service hours are M-F 0800-1100 & 1300-1630

Rotator Travel – DSN 660-3011

The J4 Passenger Travel Office is the central point for official and unofficial travel for JTF personnel currently stationed at GTMO. For those that are planning on taking leave and traveling off the island please ensure that the following steps have been accomplished for smooth travels to and from Guantanamo Bay. First step is to complete your leave paperwork. If you plan on traveling on the rotator please work with your admin personnel to accomplish a Passenger Travel Request (PTR). J4 will need your PTR and leave form to reserve a seat. For military personnel the price for a one way ticket to Jacksonville is \$259 and to Norfolk is \$372 each way.

Another means of traveling to the states on leave is Space Available (Space-A). This benefit allows you to travel at a minimal cost, but only if there are seats that have not been reserved on the flight. To sign up for Space Available travel contact the Air Mobility Command (AMC) Terminal. Unfortunately AMC regulations only allow the service member to sign up for the Space Available roster once your leave starts. Lastly, keep in mind that it is also against AMC regulations (AMCI 24-101) to reserve a seat on the rotator and cancel your reservation within the 72 hour period prior to the flight and then sign up for space available seating.

Below is additional information for the Rotator:

AMC Rotator

- Arrives at GTMO Friday & every other Tuesday
- 2 checked bags not to exceed 70 lbs each + carry on
- \$259 (\$17.20, Space-A) one way to Jacksonville Naval Air Station, Jacksonville Florida
- \$372 (\$29.70, Space-A) one way to Norfolk Naval Air Station, Norfolk Virginia

NOTE: Many of the military, including JTF, civilians and dependents visit the Jacksonville International Airport USO Welcome Center when traveling to and from Guantanamo Bay, Cuba via NAS JAX on the rotator flights.

Jacksonville International Airport USO Welcome Center is open 0700 to 2300.

Transportation

Transportation options are limited at Guantanamo Bay. Very few individuals have rental cars in the JTF. Shuttle buses are available seven days a week from 5 AM to 1 AM daily.

The Naval Station is split by Guantanamo Bay. A ferry and utility boat provide transportation to and from the Leeward and Windward sides of the base. Ferry schedules are posted in JTF paper "The Wire" and at the ferry landings on both sides of the base and appear on the "Roller" cable channel 4.

Safe Ride

Safe Ride is a service available to all military personnel on the base for a safe ride from the bar to your place of residence.
